OCURA shall defend, indemnify and save harmless The CITY from any and all claims and causes of action against The CITY for damages or injury to any person or property arising solely out of, or in connection with the negligent performance or negligent acts of OCURA, its subcontractors, agents or employees under the terms of this Agreement. In addition to the foregoing, OCURA agrees to hold harmless The CITY from any liability arising from the claims of OCURA's developers, contractors, subcontractors or any others, which OCURA might employ or obtain services or materials from in connection with the performance of this Agreement.

No person shall be discriminated against or denied employment on the grounds of race, color, religion, national origin, age, disability, genetic information, or sex (including sexual orientation and gender identity.)

Awardee appoints **Kenton Tsoodle** as the Equal Employment Opportunity Officer responsible to coordinate OCURA’s efforts, to advise and assist key personnel and staff, and officially serve as focal point for complaints regarding Section 3 compliance or concerns about discrimination.

HUD Section 3 Compliance

- a) The work to be performed under this Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. §1701u) (“**Section 3**”). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted developments covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons including persons who are recipients of HUD assistance for housing, with preference for both targeted workers living in the service area or neighborhood of the Development and Youthbuild participants, as defined at 24 CFR Part 75 (“**Section 3 Regulations**”).
- b) Awardee agrees to comply with HUD's Section 3 Regulations. As evidenced by their execution of this Agreement, Awardee certifies that it is under no contractual or other impediment that would prevent it from complying with the Section 3 Regulations.
- c) Awardee and its General Contractor, Sub-contractors, et al, shall post copies of the notice in a conspicuous place at the work site where employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference and shall set forth the following: (i) minimum number and job titles subject to hire, (ii) availability of apprenticeship and training positions, (iii) qualifications for each, (iv) name and location of the person(s) taking applications for each of the positions, and (v) the anticipated date the work shall begin.
- d) Noncompliance with HUD's regulations in Section 3 Regulations may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.
- e) Awardee shall include Section 3 requirements and language and a Summary of Section 3 obligations in each subcontract, bid and/or proposal for work on this project.

- f) Recipients of Section 3 funding must require subrecipients, contractors, and subcontractors to meet the requirements of 24 CFR §75.19, regardless of whether Section 3 language is included in recipient or subrecipient agreements, program regulatory agreements, or contracts.

Section 3 Recordkeeping

- (a) Awardee and all its project contractors and sub-contractors shall maintain Section 3 worker, and Targeted Section 3 worker documentation and certifications; records on labor hours worked by all workers, the labor hours worked by Section 3 workers, and those worked by Targeted Section 3 workers.
- (b) If Section 3 businesses are engaged, Awardee shall keep records documenting the Section 3 business status.

Section 3 Reporting

- (a) Awardee shall require that all contractors and sub-contractors submit required Section 3 information to enable Awardee to complete its Section 3 reporting obligations.
- (b) Section 3 Summary Reports. Awardee shall submit summary reports of Section 3 project activity to The City with every invoice submitted for payment. The Section 3 Summary Reports are to describe outreach efforts, ratios of Section 3 labor hours to total labor hours, labor hours performed by targeted workers, and worker training.
- (c) Section 3 Final Report. Awardee must track all reports and aggregate all the data to be able submit to The City a Final Section 3 Report at project completion. The Final Section 3 report is to include:
- A total of all hours worked on the project;
 - The total work hours completed by all Section 3 workers, including Targeted workers;
 - The total work hours completed by Targeted Section 3 workers; and
 - A narrative which summarizes all documented qualitative activities taken to comply with the Section 3 requirements.

The final invoice for the project shall be held until the final Section 3 report is submitted.

[continued on subsequent pages]

Summary of Section 3 Obligations (24 CFR 75)

Funding recipients (contractors, subrecipients, CHDOs, grantees, developers, etc.) working on a Section 3 covered Project must:

- Inform Section 3 residents of employment and contracting opportunities (24 CFR §75.27 Contract provisions).

A Section 3 worker is defined as one whose income for the previous calendar year is:

- 1) below income limits established by HUD, or 2) is employed by a Section 3 business concern or 3) a YouthBuild participant.

A Targeted Section 3 worker is generally one who:

- 1) is employed by a Section 3 business concern, or 2) currently or when hired, or within the last 5 years, is documented to live within one mile of the project (See 24 CFR 75.5 definition for more detail).

- To the greatest extent feasible, hire and train Section 3 residents to complete work on the project (24 CFR §75.19 (a) requirements). Verify eligibility based on Section 3 Income Limits [Income Limits | HUD USER \(www.huduser.gov\)](http://www.huduser.gov) for the Oklahoma City Metro FMR Area. The rule only gives preference to Section 3 residents if they meet necessary job qualifications.
- To the greatest extent feasible, contract with Section 3 businesses (24 CFR §75.19 (b) requirements). Search for a HUD Section 3 Business : <https://hudapps.hud.gov/OpportunityPortal/> . The rule only gives preference to Section 3 businesses after they meet necessary contract qualifications.

The Section 3 Final Rule continues to emphasize a goal to contract with business concerns that provide economic opportunities to Section 3 workers residing within the metropolitan area (or non-metropolitan county) in which the funded project is located.

A Section 3 business is defined as one where: 1) At least 51 percent of the business is owned and controlled by low- or very low-income persons, or 2) at least 51 percent of the business is owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing, or 3) over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers.

Public notice: Include a Summary of Section 3 Obligations (in all bid/proposal solicitations. HUD no longer requires the exact text of the Section 3 Clause (24 CFR §135.38 – defunct); however,

funding recipients may use the clause, to convey Section 3 obligations through their subcontracts for Section 3-covered projects (24 CFR §75.27 Contract provisions).

Submit Section 3 Summary Reports to the project manager at The City or contact identified in your funding agreement to describe outreach efforts, ratios of Section 3 labor hours to total labor hours, labor hours performed by all Section 3 workers including targeted workers, and worker training, pursuant to creating economic opportunities for section 3 workers. The City’s contract awardees must submit Section 3 reporting with every invoice submitted for payment regardless as to whether the invoice is from subcontractors or the general contractor.

Parties Subject to Section 3:

- **Subrecipients** of “Section 3-covered assistance” include those who receive HUD funding for construction or rehabilitation activities that meet the \$200,000-per-project threshold (HOME, NSP, ESG, CDBG etc.;24 CFR §75.3 Applicability). Subrecipients report final project Section 3 accomplishments to The City with their final draw request.
- **Contractors** hired by Recipient or Subrecipient for awards that exceed the per-project threshold.
- **Subcontractors** hired by covered contractors (report through contractors).

Labor Hour Priorities:

Section 3 requires that HUD-funded award subrecipients, contractors, and subcontractors fulfill the following obligations for outreach, employment, training, and labor hours (24 CFR §75.19 Requirements, 24 CFR §75.25 Reporting, 24 CFR §75.27 Contract provisions, 24 CFR §75.31 Recordkeeping (b)(1)):

- Inform area low-income residents and businesses about project-related training and employment opportunities. (24 CFR §75.25 Reporting (b) Outreach, training, apprenticeship).
- Advise area residents what HUD Section 3 workers are and how the project grants them priority for employment opportunities.
- Train Section 3 workers (24 CFR §75.19 (a)). Employers must give priority for training opportunities to residents of the metropolitan area where the project happens if applicants meet the employer’s (and Federal) requirements as adequately as non-Section 3 workers.
- Use priorities in hiring process 24 CFR (§75.19, §75.5). Section 3 workers living in the service area or neighborhood of the project are to get hiring priority. See “Service area”, 24 CFR §75.5 definition. Participants in HUD Youthbuild programs (Youthbuild.org) are also priorities for hiring. *** Note Oklahoma City does not presently have any Youthbuild programs.*
- Satisfy HUD’s “benchmarks for training and employment,” 24 CFR §75.23 Section 3 safe harbor.

Benchmarks for employment and training:

HUD's "benchmarks" for Section 3 labor hours combine those of direct hires and workers hired by subcontractors (24 CFR §75.25 Reporting).

Reporting metrics:

In 2022, HUD set the benchmark for Section 3 workers at 25 percent or more of the total number of labor hours worked by all workers on a Section 3 project. HUD set the benchmark for Targeted Section 3 workers at 5 percent or more of the total number of labor hours worked by all workers on the Section 3 project (24 CFR §75.23 (b)).

Note: Nothing in 24 CFR §75 requires employment of a Section 3 resident who does not meet the minimum qualifications for a position or job. (Definition of Section 3 worker, 24 CFR §75.5)

Obligations for Contracting with Section 3 Businesses:

The 2020 Final Rule includes no numerical goals for businesses. However, contracting with Section 3 businesses can help your project acquire Section 3 labor hours. Section 3-covered award funding recipients must fulfill the following obligations when they contract with other businesses to do work on the project (24 CFR §75.19 (b)):

- Include Section 3 requirements in all subcontracts and solicitations (24 CFR §75.27).
- "To greatest extent feasible" make contracts with Section 3 business concerns (24 CFR §75.5).
- Give contracting priority to Section 3 businesses that provide economic opportunities to Section 3 workers residing within the metropolitan area in which the project is located, or Section 3 businesses that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project or to participants of Youthbuild programs (see definitions, 24 CFR §75.5).

Contracting to expedite Section 3 hiring (24 CFR §75.19 (b)):

- To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, funding recipients shall ensure contracts for work awarded in connection with Section 3 projects are provided to business concerns that **provide economic opportunities to Section 3 workers residing within the metropolitan area in which the project is located.**
- Where feasible, priority for contracting opportunities described above should be given to Section 3 business concerns that provide economic opportunities to Section 3 workers residing with the service area (new definition) of the neighborhood of the project.

Note: Nothing in 24 CFR §75 requires subrecipients, contractors, or subcontractors to engage an unqualified business. Federal procurement rules requiring ability to complete a contract still apply.

SCHEDULE "D"
NON-DISCRIMINATION STATEMENT

As a subrecipient of the CITY, and a recipient of federal funding, OCURA must execute and post this statement in a conspicuous place available to employees and applicants for employment.

OCURA agrees, in connection with performing work under agreement(s)/contract(s) with the CITY or its public trusts:

a. That OCURA will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, national origin, ancestry, age, or disability as defined by the Americans with Disabilities Act of 1990, §3(2). Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

b. OCURA will, in all solicitations or advertisements for employees placed by or on behalf of the OCURA, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, sexual orientation, gender identity or national origin.

c. OCURA agrees to include this non-discrimination clause in any subcontracts connected with performing City trust agreement(s)/contract(s).

d. In the event of OCURA 's non-compliance with the above non-discrimination clause, this agreement may be canceled or terminated by the City. The contractor may be declared by the City and or its Trusts ineligible for further agreement (s)/contract(s) with the City/Trust until satisfactory proof of intent to comply is made by the contractor.

Ref: Resolution Approving a Community Development Block Grant Services Agreement between the Oklahoma City Urban Renewal Authority and the Alliance for Economic Development of Oklahoma City, Inc. for the Management of the CDBG Program in Accordance with the CDBG Operating Agreement between the Oklahoma City Urban Renewal Authority and the City of Oklahoma City for Fiscal Year 2023–2024

Background: This is an agreement for the delivery of various professional services by the Alliance for Economic Development of Oklahoma City, Inc. (“Alliance”) to Oklahoma City Urban Renewal Authority (“OCURA”) to administer the Community Development Block Grant Program (“CDBG”). For fiscal year 2023-2024, a contract between OCURA and the City of Oklahoma City has been drafted to oversee \$1,219,809 in CDBG funding for property management, property disposition and other eligible activities.

The Alliance has assumed all administrative and management functions that in the past were provided by OCURA employees. In order to clearly define the CDBG-related activities performed by the Alliance it was determined that two agreements between OCURA and the Alliance would be the best approach. This agreement outlines the CDBG-related activities to be performed by the Alliance for OCURA. The agreement includes an amount not-to-exceed \$450,000.

Summary of Agenda Item: The resolution authorizes the Executive Director to execute the agreement.
