I. SITE CONTEXT & REDEVELOPMENT VISION

The OKLAHOMA CITY URBAN RENEWAL AUTHORITY (“OCURA”) invites the presentation of written proposals from qualified developers (“Redeveloper”) for the purchase and redevelopment of an approximately 1.9-acre tract of land, depicted on Exhibit 1 below:

Exhibit 1: Property offered by OCURA

The legal description is subject to adjustment as to exact boundaries, dimensions, interests and final determination based on a survey.

The property offered by OCURA is located in the John F. Kennedy (JFK) Urban Renewal Project Area. Redeveloping and revitalizing neighborhoods is a primary objective of the JFK Plan. OCURA is offering this site for mixed-use or commercial redevelopment that will contribute to the continued efforts to revitalize the Project Area and adjacent neighborhoods. This site represents a tremendous market opportunity given its close proximity to a local and regional highway network; the [Innovation District](#); the [Oklahoma Health Center](#)—a 325 acre bioscience campus to the southwest; [OSU Discovery](#)—a research, development and education facility with partnership between Baker Hughes and Oklahoma State University; the city’s central business district; and the [Oklahoma State Capitol](#) campus.

Exhibit 2: Site Location and Context Map

The property is also located in the Culbertson’s East Highland neighborhood, one of three inner-city neighborhoods that were previously targeted for strategic reinvestment through the City of Oklahoma City’s [Strong Neighborhoods Initiative](#) (SNI). The SNI program sought to combine federal funding received from the Community Development Block Grant (CDBG) and Home Investment Partnerships (HOME) programs to facilitate a holistic approach to revitalization in this targeted neighborhood.

The Culbertson's East Highland neighborhood is generally bounded by Northeast 16th Street on the north, Martin Luther King Boulevard on the east, NE 8th Street on the south, and NE Lottie Street on the west. Adjacent to the site is the 5-acre John F. Kennedy Park, which has recently undergone a \$685,000 renovation, including the addition of outdoor workout equipment, a shelter, a small amphitheater, a walking trail, benches, irrigation, basketball courts and new trees. Also adjacent to the site is FD Moon Middle School, which currently serves students in fifth through eighth grade. The school is undergoing \$4.5 million in renovations including a new elevator, updated restroom and a fire sprinkler system for the school through MAPS for Kids.

The area consists of primarily older single-family residential homes bordered by a commercial corridor along NE 23rd. Housing in the neighborhood is diverse, consisting of multiple architectural styles constructed over many decades, but the predominant architectural styles are Bungalow and Tudor Revival. OCURA owns several vacant [residential lots](#) in the vicinity and is in the process of developing primarily single-family housing on those parcels.

Approximately three-quarters of a mile northwest, located at NE 23rd and Rhode Island Avenue is a new retail center known as EastPoint by local developers, Pivot Project. Pivot Project has rehabilitated a former row of buildings along NE 23rd Street. The project contains approximately 41,000 square feet of office and retail space. The buildings are home to [Centennial Health](#), an optometrist, office buildings, restaurants, a coffee shop, as well as the recently opened [Market at EastPoint](#). This is the first major development that has happened in the area in years. The development is a catalyst project.

Exhibit 3: Centennial Health at 1720 NE 23rd Street

The redevelopment site is accessible by public transit, primarily via [Embark Route 022](#), which runs daily Monday through Friday between the hours of 6:00 a.m. & Midnight; Saturday and Sunday between the hours of 7:00am & 6:00pm. Buses generally run on thirty (30) minute frequencies Monday through Friday until 6:30pm, and sixty (60) minute intervals on weekday evenings, Saturdays & Sundays.

II. REDEVELOPMENT POLICIES AND REGULATORY DOCUMENTS

It is the intention of OCURA to coordinate this RFP with the City's ongoing planning efforts in the area including the City's Comprehensive Plan, [planokc](#). This redevelopment vision for this site is supported by the following Urban Renewal Authority and The City of Oklahoma City policy and regulatory documents:

- A. John F. Kennedy Urban Renewal Plan (a copy can be furnished upon request)
- B. [Northeast Oklahoma City Urban Renewal Plan](#)
- C. [planokc](#)
- D. [Oklahoma City Municipal Code](#)
- E. [Oklahoma City Online Zoning Locater](#)
- F. [Northeast 23rd Street Corridor Plan](#)

Zoning Requirements

The property is currently zoned R-1, R-4 and I-2. The current zoning district is described below:

R-1 – Single-Family Residential. The R-1 District is the most restrictive residential district. The principal use is single-family residential with provisions for related recreational, religious and educational facilities that are normally required to provide the basic elements of a balanced and attractive residential area. Internal stability, attractiveness, order and efficiency are encouraged by providing adequate light, air and open space for dwellings and related facilities, and through consideration of the proper functional relationships of each element.

R-4 – General Residential. The R-4 District is a higher density residential district which encourages multiple-family and group residential developments, and represents a broad variety of housing types and densities. The regulations are designed to facilitate infill residential development and development close to non-residential uses. Provision is made for conditional approval of those uses that support and service the development in a manner that will not have a harmful effect on the character of existing neighborhoods, and will reduce dependence upon automobile transportation by encouraging population densities that will support mass transportation.

I-2 – Moderate Industrial. The I-2 District is intended primarily for the conduct of light manufacturing, assembly and fabrication, and for warehousing, wholesale and service uses, which may generate relatively low levels of noise, odor, smoke, dust or intense light. Industrial uses permitted may require good accessibility to air, rail or street transportation routes, but do not depend heavily on frequent personal visits of customers or clients. Provision is also made for outdoor operation and storage.

Exhibit 4: The City of Oklahoma City Zoning Requirements

Proposals submitted must be conceptually consistent with all current policy and regulatory documents with the exception that the site may need to be rezoned to accommodate a redevelopment proposal. In addition to the requirements of the City, it is the goal of OCURA to require high-quality development standards and design principles to lead as an example for future development. OCURA recognizes that rezoning to a planned unit development may be necessary and would support that action if agreed to as part of a Redevelopment Agreement.

Tax Increment Financing (TIF)

The City of Oklahoma City established the Northeast TIF District (Increment District #9) with the intention to spur economic development along three commercial corridors: (1) NE 23rd Street; (2) Martin Luther King, Jr. Avenue; and (3) Kelley Avenue in 2015 and amended the plan in 2019. A TIF District allows the City to support public, private and non-profit projects using incremental growth in property and/or sales taxes generated by increases in net assessed value. If a financial need is demonstrated, TIF funds may be used either to provide financial assistance to real estate development projects that meet the goals of the district, or on various types of physical improvements like public facilities and infrastructure.

This site is located in [TIF District #9 \(2019 Plan Project Plan Amendment\)](#). The [TIF #9 Policy Guide](#) outlines how certain projects may qualify for TIF funding assistance if a need is demonstrated. The availability of TIF assistance is solely at the discretion of The City of Oklahoma City and not OCURA.

III. SUBMITTAL REQUIREMENTS

A. CONCEPTUAL MASTER PLAN

The Redeveloper shall submit a Conceptual Master Plan which will include the following elements:

1. Conceptual site layout of proposed land uses, internal pedestrian and auto circulation network, parking, storage/service areas, connectivity to adjacent parcels and street system, any internal recreation areas (whether private or open to public) such as plazas, courtyards, play/open space areas and any additional site features proposed.
2. Conceptual themes for architecture, landscaping and urban design elements (benches, fencing etc.) Discuss how the development will relate to its context, both in terms of site design and adjacent architecture. Themes can be discussed in written and/or graphic illustrations. Discuss exterior architectural materials proposed. A material board is not necessary for the submittal.

B. STRATEGIC DEVELOPMENT OBJECTIVES

1. Neighborhood Compatibility - It is the intention of OCURA to coordinate this RFP with ongoing planning efforts in the area. It is crucial that, in addition to the redevelopment of the vacant property, the proposed redevelopment project be perceived as a positive addition to the neighborhood. The selected developer will be required to present plans before the Culbertson's East Highland Neighborhood Association.
2. High-Quality Architecture and Design - OCURA expects project proposals that demonstrate a high level of design quality, attract outward appearance and positively enhance surrounding property and street life. Detailed design guidelines are included below. The proposed redevelopment should reflect urban design formats that differ from commercial strip center and pad site land-use patterns in the area. OCURA will work with the selected Redeveloper on site planning through a design review process.
3. Mixed-Income Housing - Residential elements of any proposal will ideally include housing opportunities that are available to a range of household incomes.

C. DESIGN OBJECTIVES

Proposals for new land uses must be sensitive to surrounding neighborhood patterns. When development proposals are thoughtfully considered, a balance will be achieved that honors the past while successfully meeting the demands of the present and the future.

Design of the site must include high quality design, materials and construction. The architectural character must be attractive and meet the character of the surrounding sites, both functionally and aesthetically, and be consistent with land use, zoning and regulatory requirements.

In addition to high-quality development, the project should achieve sustainability and energy efficiency goals that exceed the minimum requirement of the Building Code. The project should use environmentally-friendly and sustainable principles in project design and construction.

The following design guidelines pertain to all proposals:

1. Development Pattern: Primary building entrances and signage are to face MLK or NE 16th Street.
 - a. As few curb cuts as possible are desired on NE 16th Street and on MLK. Shared driveways are encouraged.
 - b. The buildings should be pushed to the sidewalk and street edge in order to help activate the street and to provide a presence to the street.

- c. An activated ground floor that engages the sidewalk and promotes a positive pedestrian experience must be provided. This could be through retail, restaurants or other commercial space. Priority should be given to the hard corners. Ground-floor residential units that engage the street and sidewalk would also be considered. Pedestrian and bicycle amenities are important and should be incorporated into the project.
 - d. As much as possible, parking for the development should be placed behind the buildings and not visible from the street when possible. The focus of the development should be on the design of the building over surface parking.
- 2. Height: Minimum height for new construction is to be two (2) stories.
- 3. Building Design: Both new architectural styles and traditional styles are encouraged.
 - a. Building mass and height should be concentrated at key intersections.
 - b. Pedestrian entries should be oriented toward the street and recessed, covered, or otherwise clearly identifiable.
 - c. Stoops, decorative fencing, awnings, balconies at the upper floors, decorative trim, and other devices should be used to create architectural interest on all visible facades and engage the street and sidewalk.
 - d. Broad areas of blank walls are to be avoided.
 - e. Accessibility provisions should be fully integrated into new construction.
- 4. Materials: Materials for new construction are to be compatible with the materials used on surrounding traditional buildings.
 - a. Exterior cladding materials may include brick, stone, glass, wood, siding, or fiber cement siding. Architectural metal wall and roof panels, and architectural cast-in-place concrete with a high-quality finished surface may also be appropriate.
 - b. Synthetic stucco materials such as Exterior Insulation and Finish Systems (EIFS) are prohibited.
 - c. Vinyl, aluminum, or sheet metal siding are prohibited.
- 5. Garages:
 - a. Garages are not to front MLK Ave.
 - b. Garages, porte cocheres, carports and sheds should complement the primary building materials and colors.
- 6. Streetscapes:
 - a. The relationship of the proposed streetscape and architectural design should enhance street life and pedestrian activity.
 - b. Streetscape lighting should be adequate, especially at the intersection and buildings fronting the park.
 - c. Sidewalks are to be provided and extended along the entire property line. Sidewalks should match area sidewalk width (5 ft.) and network, and shall be free of any obstruction.

- d. Street trees should follow species recommendations as referenced in *Trees and Plants for Oklahoma City*. Trees should be installed between the backs of the curb and sidewalk. Trees should have a minimum caliper of three inches.
 - e. Sidewalks connecting from the front entrance(s) to the public sidewalk should run perpendicular to the street. Curvilinear or wavy sidewalks are discouraged.
7. Service Areas:
- a. Dumpsters should be screened with wood or masonry fencing, or landscaping.
8. Fencing:
- a. Fences should be open or ornamental metal pickets, slatted wood panels, wood pickets, or masonry. Electrified, barbed, hog, chicken wire, or chain link fencing are not acceptable.

D. MARKET FEASIBILITY OF CONCEPTUAL MASTER PLAN

The Redeveloper shall submit a narrative of two pages or less outlining the market feasibility of the proposed conceptual plan. For example, comparable rental rates, for-sale data and so forth. It is not the intent of this requirement that the Redeveloper obtain a market study from a third-party professional.

E. REDEVELOPER QUALIFICATIONS AND FINANCIAL ABILITY TO EXECUTE CONCEPTUAL MASTER PLAN

Qualifications of Development Team

1. List all development team members, including consultants, and their qualifications to undertake the project.
2. List all applicable projects, completed and/or in progress, by the redeveloper within the past 10 years. Highlight those most similar to the conceptual master plan proposed, if any. Discuss which projects, if any, involved a public/private partnership with an entity such as an urban renewal agency, local government etc.

Financial Ability to Execute the Proposed Master Plan

In order to assist OCURA in reviewing the financial capability of the redeveloper, information will be requested in two tiers. **The initial tier must be submitted with the RFP response**, the second tier will be requested if the respondent is selected by OCURA as the conditional redeveloper (defined in Section M of this RFP).

Tier 1 Submittal Requirements

1. Describe your ability and experience in financing a project of the proposed scale.
2. Execute the financial and credit check forms under Exhibit A of this RFP.
3. A summary project pro forma. Return an electronic copy of the completed pro forma workbook with your proposal. The pro forma should provide an indication of project financing requirements, gaps and financial feasibility.
 - a. The Redeveloper's proposed purchase price for the redevelopment site must be included in the pro forma and take into consideration the real estate market in the area and the proposed uses. A determination of price will be made by an independent appraiser selected by OCURA. The final determination of the sales price will be made by OCURA.
 - b. OCURA will consider proposals which include requests for public tax increment financing (TIF) assistance provided that the need and appropriateness is demonstrated by financial and market circumstances. The availability of TIF assistance is solely at the discretion of The City of Oklahoma City and not OCURA.

Tier 2 Submittal Requirements if selected as a Conditional Redeveloper (defined in Section M of this RFP)

1. If selected as Conditional Redeveloper, OCURA will request detailed documentation of financing commitments. Debt and equity sources must be outlined with their use and timing in the project's development cycle.
2. Redeveloper financials of the principal or parent company. In the absence of such financials, the tax returns of the principal respondents to this RFP will be requested.

F. TIMEFRAME TO COMPLETE

Include a one-page statement on the timeframe to complete the project if chosen as the Redeveloper. Include a detailed description of plans, if any, to phase the project.

G. GOOD FAITH DEPOSIT

The RFP response shall include a bank certified check or surety bond with a company listed in the latest issue of the U.S. TREASURY CIRCULAR NO. 570 in the amount of \$10,000.00. Alternatively, a letter of credit acceptable to OCURA in the amount of \$10,000.00 may also be provided. The good faith deposit must be valid for a minimum of 90 days after the RFP submission due date. Unsuccessful RFP applicants will have their deposits returned at the end of 90 days or when a Conditional Redeveloper is chosen, whichever comes first. OCURA will retain the Good Faith Deposit of the Redeveloper chosen for the project and apply the amount towards the project as negotiated in the development agreement.

H. SUMMARY OF SUBMISSION REQUIREMENTS

1. Conceptual Master Plan with required elements as outlined above
2. Market Feasibility Narrative
3. Redeveloper Team Qualification Narrative
4. Financial Information-Tier 1 as outlined above
5. Timeframe to Complete Narrative
6. Executed Forms 1-4 in Exhibit A of this RFP submitted in a separate envelope
7. \$10,000 Good Faith Deposit
8. Five (5) paper copies of the RFP submittal packet and one (1) electronic copy in PDF format
9. One (1) electronic copy of the completed pro forma workbook with your proposal

RFP responses must be received at the time and date indicated on the cover sheet to be considered.

I. REVIEW OF RFP SUBMISSIONS: CRITERIA AND TIMELINE

After receipt of proposals, the submissions will be reviewed for completeness by OCURA staff.

The next phase of the selection process will consist of review and evaluation of the redevelopment proposals based upon, but not limited to, the following criteria:

1. Responsiveness of the proposed conceptual master plan to the goals and objectives of Section II and Section III, B-C.
2. Review of the market feasibility narrative and its documentation that the project is feasible and likely to succeed.
3. Review of Redeveloper team qualifications and their relevance to the proposed project and demonstrated expertise in completing projects similar to the one proposed.
4. Adequacy of the draft pro forma and appropriateness of any financial assistance requested.
5. Evidence of financial capacity to carry out this project based on the Tier 1 information submitted with the RFP response.
6. Review of other Tier 1 financial submittals and their ability to demonstrate sound financial and moral character.
7. Ability of Redeveloper to initiate the development process (land use entitlements, financing commitments etc.) within 180 days after execution of the redevelopment agreement and to complete the project in a timeline satisfactory to the Board of Commissioners.
8. Execution of Forms 1-4 in Exhibit A to the satisfaction of OCURA.

9. Ability to meet the anticipated timeline:

Staff and OCURA Review Period	Two to Three Weeks after due date*
Designation of Conditional Redeveloper	1-2 months after due date*
Redevelopment Agreement Negotiations/Execution	30-60 days after designated Conditional Redeveloper*

* estimated timeframes and are subject to change.

Reviews and evaluations by OCURA staff and other consultants, public or private organizations or committees requested by the Board of Commissioners will be advisory only. The level of consideration and weight to be given to any review will be determined by the Board of Commissioners of OCURA, and the Board of Commissioners reserves complete and final authority for actions and approvals in connection with the selection process.

J. RFP EXTENSIONS

In the event that OCURA:

(a) receives no proposals by the originally allotted RFP Due Date, then the RFP will remain open through the next proceeding renewal dates listed in the schedule below until an acceptable proposal is received from one or more developers; or

(b) receives interest from more than one interested developer as to a specific parcel, then the RFP may remain open through the next proceeding renewal dates listed in the schedule below until an acceptable proposal is received from all interested developers:

Schedule

	RFP Release	RFP Due Date
Original RFP Release	July 15, 2021	October 14, 2021
First Renewal	October 15, 2021	January 14, 2022
Second Renewal	January 15, 2022	April 14, 2022
Third Renewal	April 15, 2022	July 14, 2022
Fourth Renewal	July 15, 2022	October 14, 2022
Fifth Renewal	October 15, 2022	January 14, 2023 January 16, 2023
Sixth Renewal	January 15, 2023 January 16, 2023	April 14, 2023
Seventh Renewal	April 15, 2023	July 14, 2023
Eighth Renewal	July 15, 2023	October 14, 2023 October 16, 2023

If only one proposal is received, OCURA may choose to accept that proposal at the end of whichever RFP Renewal period in which they are received. At this point, the RFP will be closed and will not continue onto the next renewal. If two or more proposals are received, OCURA may also choose to accept those proposals at the end of whichever RFP Renewal period in which they are received. If OCURA receives interest from two or more interested developers as to a specific parcel, OCURA may notify all developers interested in that specific parcel, if contact information is known, and publish a notification on OCURA's website that the RFP for that specific parcel will remain open through the next proceeding renewal date listed in the schedule above.

In the event that no proposals are accepted for review by October 16, 2023, the RFP will close and the project will be reevaluated by the Oklahoma City Urban Renewal Authority.

K. OPTIONAL COMPETITIVE NEGOTIATIONS

The Board of Commissioners may, in its discretion, authorize and direct competitive negotiations with two or more prospective Redevelopers. Such negotiations may be with respect to one or more elements of the selection criteria. Such negotiations will be undertaken by the OCURA staff in accordance with direction from the Board of Commissioners.

In the event competitive negotiations are authorized, a cut-off date will be established after which no further negotiations will occur and no additional submissions by prospective Redevelopers will be considered.

A decision by the Board of Commissioners to conduct competitive negotiations will not confer any rights upon a prospective Redeveloper nor create any obligation of OCURA to approve and enter into a redevelopment agreement with a Redeveloper.

L. OCURA'S RIGHT

OCURA reserves the unconditional right, at its sole discretion, to reject any or all proposals submitted for any reason or no reason. OCURA may, at its discretion, waive any informalities, minor defects, or technical inaccuracies in the proposals. OCURA reserves the right to request and obtain any additional information necessary to complete evaluation of the proposals.

M. CONDITIONAL REDEVELOPER DESIGNATION

Upon review and evaluation of redevelopment proposals or following negotiations with prospective Redeveloper(s), the Board of Commissioners may grant a "Conditional Redeveloper" designation. This designation will be under such terms and conditions as the Board deems appropriate, to potentially one or more prospective Redevelopers. A Conditional Redeveloper(s) designation will confer no legal rights upon the prospective

Redeveloper(s) other than the opportunity to negotiate terms of a redevelopment agreement with OCURA. A Conditional Redeveloper designation may be terminated at any time by OCURA.

N. PREPARATION AND APPROVAL OF REDEVELOPMENT AGREEMENTS

The final phase of the selection process will consist of negotiations to outline the terms and conditions of a redevelopment agreement. Site conveyance will be provided by a Special Warranty Deed, subject to such restrictions as required by OCURA. Disposition must take place at or above “fair value” as required by Oklahoma Law. If a negotiation is conducted simultaneously with two or more Redevelopers, the negotiations are to be competitive as to the disposition price and will be one of the criteria involved in making the selection.

Resolution Authorizing Invitation for Proposals (Release of RFP)

Invitation for Redevelopment Proposals — Public Notice

RESOLUTION NO. 5974

RESOLUTION AUTHORIZING AN INVITATION FOR PROPOSALS FOR REDEVELOPMENT OF CERTAIN PROPERTY LOCATED AT THE SOUTHWEST CORNER OF NORTHEAST 16th STREET AND NORTH MARTIN LUTHER KING AVENUE, JOHN F. KENNEDY URBAN RENEWAL PLAN

WHEREAS, the Oklahoma City Urban Renewal Authority ("Authority") is engaged in the implementation of the John F. Kennedy Urban Renewal Plan (OKLA. R-35) ("Urban Renewal Plan"); and

WHEREAS, the principal objective of the Urban Renewal Plan is the revitalization of the neighborhoods within the project area with quality housing for individuals and families of all income levels; and

WHEREAS, the City of Oklahoma City had previously designated a portion of the John F. Kennedy Urban Renewal Project Area as a target for the City's Strong Neighborhoods Initiative; and

WHEREAS, housing studies have revealed a substantial need for affordable homes and apartments in and around the city core; and

WHEREAS, the infusion of well-planned retail and commercial development is needed to support recent and projected residential growth in the project area; and

WHEREAS, the most recent reuse appraisal of property in the John F. Kennedy Urban Renewal Project Area does not contemplate commercial or multi-family uses; and

WHEREAS, the Authority owns currently vacant property located at the southeast corner of Northeast 16th Street and North Martin Luther King Avenue, and in April 2021, the City of Oklahoma City transferred the east 75 feet of John F. Kennedy Park, declared surplus, so to the Authority for redevelopment (Authority-owned property and surplus park property, collectively, the "Property"); and

WHEREAS, the Property is ripe for commercial or multi-family development; and

WHEREAS, it is timely and appropriate to authorize an invitation for proposals for the redevelopment of the Property in accordance with the Urban Renewal Plan and the revitalization objectives of the City of Oklahoma City.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Oklahoma City Urban Renewal Authority as follows:

1. The Executive Director and staff of the Authority are hereby authorized to issue an invitation for proposals for the redevelopment of the Property for commercial or multi-family purposes.
2. A public notice of invitation for proposals is hereby authorized to be published, and a period of not less than 90 days from the date of publication is hereby established for submission of proposals, with the potential for quarterly renewal periods if an acceptable proposal is not garnered within the given submission period or if there are multiple interested developers and the Executive Director, in her discretion, believes a renewal period extension is in the best interests of ensuring adequate competition for redevelopment.
3. All proposals shall be evaluated, and if acceptable, the Board of Commissioners may designate a redeveloper or redevelopers. The conditional redeveloper(s) designation shall be based on the determination of the proposal or proposals deemed to be most acceptable to the Authority.
4. The evaluation of redevelopment proposals shall be based on the principal criteria of:
 - a. Responsiveness of the proposal to meet the goals and objectives of the Urban Renewal Plan, the Authority's design guidelines, and any other applicable requirements and guidelines contained in the Oklahoma City Zoning Code or Municipal Code.
 - b. Qualifications and experience of the redevelopment team to complete to the redevelopment.
 - c. Market feasibility and likelihood of the proposal to succeed.
 - d. Design objectives for the creation of an urban neighborhood.
 - e. Development guidelines, including building density, massing, form, design vernacular, external appearance of structure, screening of service elements, parking solutions, and site security elements.
 - f. Sufficient evidence of financial capacity to carry out the proposal, and the financial ability of the redevelopment team to complete the redevelopment.
6. The Authority shall enter into direct negotiations with the prospective redeveloper receiving conditional redeveloper designation, or, if more than one, with each such prospective redeveloper receiving a conditional designation, in order to achieve the best and most desirable project for the area and obtain agreement as to price and other terms and conditions satisfactory to the Authority.

7. The invitation for redevelopment proposals shall not create any legal obligations for the Authority to enter into a contract for redevelopment except on terms and conditions it deems, in the Board's discretion, to be acceptable and desirable.
8. The Executive Director, Legal Counsel, Officers and staff for the Authority are authorized and directed to prepare and execute such documents, letters, and authorizations as may be appropriate or desirable to implement this resolution.

I, Judy J. Hatfield, Secretary of the Board of Commissioners of the Oklahoma City Urban Renewal Authority, certify the foregoing Resolution No. 5974 was duly adopted at a **regular and annual** meeting of the Board of Commissioners of the Oklahoma City Urban Renewal Authority, held at the Arts District Garage Conference Room, 431 West Main Street, Suite B, Oklahoma City, Oklahoma, on the **16th** day of **June, 2021**; that said meeting was held in accordance with the By-Laws of the Authority and the Oklahoma Open Meetings Act; that any notice required to be given of such meeting was properly given; that a quorum was present at all times during said meeting; and that the Resolution was duly adopted by a majority of the Commissioners present.

INVITATION FOR DEVELOPMENT PROPOSALS – Release of RFP

The OKLAHOMA CITY URBAN RENEWAL AUTHORITY (“OCURA”) invites the submission of formal written proposals (“Proposals”) from qualified developers (“Redeveloper”) for the purchase and redevelopment of an approximately 1.9-acre tract of land located at the southwest corner of Martin Luther King Avenue and Northeast 16th Street (“Property”). The Property offered by OCURA is located in the John F. Kennedy Urban Renewal Area in Oklahoma City. The selection process will be initiated by the submission of formal written proposals to OCURA in accordance with these instructions. Prior to the day and time for receipt of such formal written proposals, OCURA will provide all prospective redevelopers with available information, background material, and advice in order to encourage the preparation of proposals which most fully reflect the objectives of OCURA.

All formal written proposals for the purchase and redevelopment of the site being offered for sale will be received at the offices of the Oklahoma City Urban Renewal Authority, 105 North Hudson Avenue, Suite 101, Oklahoma City, Oklahoma, until **10:00 a.m. on October 14, 2021**. Any proposals received after this time will be returned unopened to the prospective redeveloper. Proposals will be publicly opened and read aloud by OCURA at **10:00 a.m. on October 14, 2021** in the conference room at the offices of OCURA. PLEASE NOTE: OCURA reserves the right to extend this schedule at its discretion according to the terms as described below and within each individual RFP. Notification of any changes in the schedule will be posted on OCURA’s website.

OCURA staff may, in its discretion, amend or extend the submission dates as described in the released RFP if OCURA receives interest from more than one interested party as to a particular parcel. OCURA will try to provide notice through direct email courtesy announcements of such extensions and, in any event, will post extension notifications on OCURA’s website.

In the event that OCURA:

- (a) Receives no proposals by the originally allotted RFP Due Date, then the RFP will remain open through the next proceeding renewal dates listed in the schedule below until an acceptable proposal is received from one or more developers; or
- (b) Receives interest from more than one interested developer as to a specific parcel, then the RFP may remain open through the next proceeding renewal dates listed in the schedule below until an acceptable proposal is received from all interested developers:

Schedule	RFP Release	RFP Due Date
Original RFP Release	July 15, 2021	October 14, 2021
First Renewal	October 15, 2021	January 14, 2022
Second Renewal	January 15, 2022	April 14, 2022
Third Renewal	April 15, 2022	July 14, 2022
Fourth Renewal	July 15, 2022	October 14, 2022
Fifth Renewal	October 14, 2022	January 14, 2023

Sixth Renewal	January 15, 2023	April 14, 2023
Seventh Renewal	April 15, 2023	July 14, 2023
Eighth Renewal	July 15, 2023	October 14, 2023

If only one proposal is received, OCURA may choose to accept that proposal at the end of whichever RFP Renewal period in which they are received. At this point, the RFP will be closed and will not continue onto the next renewal. If two or more proposals are received, OCURA may also choose to accept those proposals at the end of whichever RFP renewal period in which they are received. If OCURA receives interest from two or more interested developers as to a specific parcel, OCURA may notify all developers interested in that specific parcel, if contact information is known and publish a notification on OCURA's website that the RFP for that specific parcel will remain open through the next proceeding renewal date listed in the schedule above.

In the event that no proposals are accepted for review by **October 14, 2023** the RFP for the property described in this notice will close and the projects will be reevaluated by OCURA.

The evaluation of redevelopment proposals will in part be based upon the principal criteria of:

- a. Responsiveness of the proposal to meet the goals and objectives of OCURA and its John F. Kennedy Urban Renewal Plan, PlanOKC, and any other applicable requirements and guidelines contained in the Oklahoma City Zoning Code or Municipal Code.
- b. Market feasibility and likelihood of the proposal to succeed.
- c. Redeveloper team qualifications relevant to the proposal and demonstrated experience in completing similar projects.
- d. Adequacy of the pro forma for the proposal and appropriateness of any requested financial assistance.
- e. Sufficient evidence of financial capacity to carry out the proposal.
- f. Capability of the redeveloper team to initiate and complete the redevelopment process within a timeline satisfactory to the Board of Commissioners.

One or more tentative redeveloper designations may be made based on a determination of the proposal or proposals deemed most acceptable to OCURA. OCURA may enter into direct negotiations with the redeveloper(s) tentatively designated, in order to achieve the best and most desirable project in accordance with the redevelopment objectives of the area and to obtain an agreement as to price and other terms and conditions satisfactory to OCURA.

For further information, contact Olen Cook, Project Manager, at Olen.Cook@theallianceokc.org. The RFP may be obtained at <http://ocura-ok.org/rfps>.

This invitation for redevelopment proposals will not create any legal obligation for OCURA to enter into a contract for redevelopment except on terms and conditions it deems in its discretion to be satisfactory and desirable and the right is reserved to reject any and all proposals.

NOTICE OF AMENDMENT TO PREVIOUS RELEASE OF RFP

The OKLAHOMA CITY URBAN RENEWAL AUTHORITY (“OCURA”) released a Request for Proposal (“RFP”) on July 15, 2021, inviting the submission of formal written proposals (“Proposals”) from qualified developers (“Redeveloper”) for the purchase and redevelopment of an approximately 1.9-acre tract of land located at the southwest corner of Martin Luther King Avenue and Northeast 16th Street (“Property”). The Property offered by OCURA is located in the John F. Kennedy Urban Renewal Area in Oklahoma City. OCURA has amended the timeline regarding the renewal schedule for the Fifth, Sixth, and Eighth Renewals.

For the Fifth Renewal, all formal written proposals for the purchase and redevelopment of the site being offered for sale will be received at the offices of the Oklahoma City Urban Renewal Authority, 105 North Hudson Avenue, Suite 101, Oklahoma City, Oklahoma, until **10:00 a.m. on January 16, 2023**. Any proposals received after this time will be returned unopened to the prospective redeveloper. Proposals will be publicly opened and read aloud by OCURA at **10:00 a.m. on January 16, 2023** in the conference room at the offices of OCURA. PLEASE NOTE: OCURA reserves the right to extend this schedule at its discretion according to the terms as described below and within each individual RFP. Notification of any changes in the schedule will be posted on OCURA’s website.

OCURA staff may, in its discretion, amend or extend the submission dates as described in the released RFP if OCURA receives interest from more than one interested party as to a particular parcel. OCURA will try to provide notice through direct email courtesy announcements of such extensions and, in any event, will post extension notifications on OCURA’s website.

In the event that OCURA:

- (a) Receives no proposals by the originally allotted RFP Due Date, then the RFP will remain open through the next proceeding renewal dates listed in the schedule below until an acceptable proposal is received from one or more developers; or
- (b) Receives interest from more than one interested developer as to a specific parcel, then the RFP may remain open through the next proceeding renewal dates listed in the schedule below until an acceptable proposal is received from all interested developers:

Schedule	RFP Release	RFP Due Date
Fifth Renewal	October 14, 2022	January 14, 2023 January 16, 2023
Sixth Renewal	January 15, 2023 January 16, 2023	April 14, 2023
Seventh Renewal	April 15, 2023	July 14, 2023
Eighth Renewal	July 15, 2023	October 14, 2023 October 16, 2023

In the event that no proposals are accepted for review by **October 16, 2023** the RFP for the property described in this notice will close and the projects will be reevaluated by OCURA.

For further information, contact Olen Cook, Project Manager, at Olen.Cook@theallianceokc.org. The RFP may be obtained at <http://ocura-ok.org/rfps>.

This invitation for redevelopment proposals will not create any legal obligation for OCURA to enter into a contract for redevelopment except on terms and conditions it deems in its discretion to be satisfactory and desirable and the right is reserved to reject any and all proposals.

Except as modified by the amended notice, all other provisions of the previous notice remain applicable as they relate to OCURA's evaluation and selection of a proposal.

Open Records Act and Confidentiality Requirements

OPEN RECORDS ACT AND CONFIDENTIALITY REQUIREMENTS

All materials submitted to OCURA pursuant to this Request for Proposals are potentially subject to the mandates of the Oklahoma Open Records Act (Act), 51 Okla. Stat. §§ 24A.1. et seq. The purpose of the Act is to ensure and facilitate the public's right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power. Almost all "records", as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create an exception or confidential privilege, persons or entities who submit information to public bodies have no right to keep this information from public access, nor is there any reasonable expectation that this information will be kept from public access. See 51 Okla. Stat. §§ 24A.2.

If you believe that any information you will or may submit to OCURA pursuant to this Request for Proposals is or should be kept confidential under a specific state or federal statute, and therefore, not subject to public disclosure, you must comply with the following:

- a. Place said documents/records in a separate envelope marked "Confidential". DO NOT label your entire response to the Request for Proposals as "Confidential" – label only those portions of the response that you feel are made confidential by state or federal law as "Confidential". If only a portion of a document is confidential, please identify specifically the portions of the document you are claiming are confidential. (Under the Oklahoma Open Records Act, a public entity may be obligated to produce documents for public inspection even if the documents contain only a portion of material which is confidential. However, the public entity can redact the confidential portions.)
- b. For each document for which you are claiming a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. §§ 85, et seq.

Please note that OCURA, consistent with § 24A.3(d) of the Act, understands that "personal financial information, credit reports or other financial data obtained by a public body for the purpose of evaluating credit worthiness, obtaining a license, permit, or the purpose of becoming qualified to contract with a public body" is not subject to disclosure under the Act. Financial information requested by this Request for Proposals for evaluating the creditworthiness of the Proposer or the purpose of allowing OCURA to determine if the Proposer is qualified to contract with OCURA should be submitted in a separate envelop and marked as confidential financial information.

Should an Open Records request be presented to OCURA requesting information the Proposer has identified as "Confidential", the Proposer will be informed and the Proposer will be responsible for defending its position in the District Court, if needed.

If the Proposer fails to identify any records submitted as part of your proposal as "Confidential" by placing them in the "Confidential" envelope AND if the Proposer fails to identify the specific state or federal law creating such privilege, OCURA will assume that the Proposer agrees that said records are not confidential and are subject to public access.
